HOW TO E-MAIL A TEACHER

In order to send an e-mail to a teacher at WCA, just use the following address: teacher's first initial and their last name @westoverministries.org. For example, to send a message to Mrs. Kim Frick, you would just need to use kfrick@westoverministries.org. It's that simple, and it's a great way to keep the lines of communication open between parents and teachers.

WINTER RECESS STATEMENT

Just a reminder that our Elementary students go outdoors daily and enjoy a 30 minute recess even on colder winter days. We realize that here in southern Virginia, we can typically run from our home... to the car...into the building and not be "all bundled up." However, because we want our students to be comfortable and safe outside during the 30 minute recess, we are asking students to come to school daily prepared with a coat, hat, and gloves.
